

## Chairs

### Seating to fit your needs

	<b>Countour Freedom</b>	<b>Advantage</b>	<b>Task Basic</b>
	Ergonomically designed to promote user attention and reduce operator fatigue.	Wide frame provides larger seat and more space between armrests, accommodates sidearms and radios, and provides all day comfort. Economical, thin profile solution for all day use.	Economical, thin profile solution for all day use.
			
<b>Headrest</b>	Dynamic, position-sensitive headrest adjusts to cradle your head and neck as you recline. Automatically moves out of the way when you sit upright.	No headrest	No headrest
<b>Cushions</b>	Technogel® Cushions are sculpted to closely follow body contours-provide comfort and maximize weight distribution.	Upholstered and cushioned seat; waterfall front edge helps reduce stress to legs.	Upholstered and cushioned seat; waterfall front edge helps reduce stress to legs.
<b>Armrest</b>	Technogel® armrests move up and down together and stay with you during recline, always keeping you in supported balance.	Armrests with soft pads can be adjusted into a number of positions, from width to height; can be lowered to seat level, allowing extra space for holster users.	Armrests with soft pads can be adjusted into a number of positions, from width to height, and removed to allow for extra space.
<b>Backrest</b>	Pivoting responsive backrest automatically adapts to the changing needs of your spine during recline. With the counter-balance mechanism, your weight automatically balances the force required to recline the chair.	Mesh back for ergonomic support and body heat dissipation; Adjustable backrest angle, tension, and lumbar support.
